## What every woman should know...

*Healthy aging with customized bio-identical hormones*

Mood swings, fatigue, depression, sexual dysfunction, restlessness and weight gain may all be symptoms of hormonal imbalance in both men and women. But synthetic hormones with scary side effects aren't the only option! Wellspring Clinic specializes in creating customized, natural treatment programs for hormone imbalance. Come in for a complete Hormone Assessment that measures more than 30 critical hormones. Next we'll craft a customized treatment program for you that centers on bio-identical hormones – hormone treatments that have exactly the same molecular structure as hormones produced by the human body. We'll reduce or eliminate your symptoms, you'll get your life back, and you'll avoid the side effects of synthetic hormone treatments.

## Introducing Vibrant Skin

*Glowing Skin from the Inside Out*

What you see in the mirror is a direct reflection of the health of your body's cells – and skin cells need specialized nutrition to preserve smoothness, tone, elasticity, texture and even color. That's where Vibrant Skin

## What to do after an accident

*Accidents are traumatic enough – shouldn't you streamline your recovery?*

We've all been there: that dreaded metallic crunch, the slip in the slick tub... the injury that comes with work or play. Most patients don't know that Wellspring Clinic has special programs to support your recovery after an accident. If you're hurt:

comes in. Doctor Sam has created this new supplement with the best in skin supporting nutrients, including FloraGlo lutein and PUREMAX to nurture healthy, vibrant skin.

PTX Therapy  
Boosters for  
Heart Health

## Are you a PTX Therapy Alumni?

*Don't forget to get your booster treatments to keep arteries clear!*

PTX Therapy has a scientifically proven track record for being the healthy, natural, non-surgical option for reducing plaque build-up in the blood vessels throughout your body. But remember, life and living can cause new plaques to form. That's why PTX patients need to come in for their booster every year. We'll assess your cardiac condition, and keep your arteries strong and healthy so you can protect your heart, and health, for a lifetime!

### New to PTX Therapy?

- Safe, natural infusions help clear clogged arteries, building cardiovascular health
- Helps reduce plaque deposits in arteries - even arteries with years of hardened build-up
- Helps support your body's natural ability to reverse age related degeneration of vital organs and blood vessels
- Helps Balances HDL/LDL levels and triglycerides
- Treats 75,000 miles of vessels in your body... surgery just treats a few inches!
